NSE Academy Certification in Financial Markets

Notice

We are excited to announce the launch of two beginner-level modules aimed at providing foundational knowledge in financial markets and commercial banking in India. These modules offer valuable insights into the dynamic world of finance and are designed to equip you with essential skills for your future endeavours.

Module Details:

- 1. Financial Markets: A Beginner's Module:** This module provides an introduction to financial markets, covering key concepts, instruments, and market dynamics. Topics include stock markets, bond markets, derivatives, and investment strategies.
- 2. Commercial Banking in India: A Beginner's Module:** This module explores the fundamentals of commercial banking in India, including banking operations, regulations, products, and services. Participants will gain a comprehensive understanding of the banking sector's role in the economy.

Schedule and Venue:

- Module 1 sessions will be held from 1:00 PM to 2:00 PM.
- Module 2 sessions will follow from 2:00 PM to 3:00 PM.
- The venue for both modules is the Commerce Lab.
- Classes will be conducted every Monday to Wednesday, starting from 18th February 2023.

Why Enroll?

- Gain foundational knowledge in financial markets and commercial banking.
- Understand the basic principles and operations of financial institutions.
- Explore career opportunities in the finance and banking sectors.
- Interact with experienced instructors and industry professionals.

Action Required: We encourage all interested students to register for these beginner's modules at the earliest to secure your spot. Don't miss out on this opportunity to expand your understanding of financial markets and banking in India.

For any inquiries or assistance regarding the course registration process, feel free to contact us.
