### \*Shiksha Mandal : An Overview\*

#### History

Shiksha Mandal is a century old institution, based at Wardha, the undeclared capital of pre-independence India. Founded by Shri Jamnalal Bajaj, it was deeply influenced by freedom struggle and Gandhiji. Its faculty and students were involved in the freedom movement. In fact, the nation's first education conference was held in Shiksha Mandal in 1937 and was presided over by Gandhiji. The idea of Nayee or Buniyadi Talim arose from this conference.

Starting with a student hostel, it established a school at Wardha in 1919. It moved to higher education in 1940 when its Commerce College was established at Wardha. In 1945, a Commerce College was established at Nagpur, followed by a Science College at Wardha in 1962. In 1961 a Rural Institute was established at Wardha, which offered courses in Economics, Agriculture and Engineering. This was later spun into three different institutions in these disciplines. In 2003 an Agriculture College was started in Wardha, and Bajaj Institute of Technology (BIT) in 2017-18.

The presidents of Shiksha Mandal have been from the Bajaj Family, Shri. Rahul Bajaj, Chairman Bajaj Auto Ltd. is its current President.

#### Motto

The Motto of Shiksha Mandal is 'Aadanahi Visargaya' which means 'whatever is gained is for sharing'.

#### Our Purpose:

Shiksha Mandal started educational institutions because it saw education as being critical for the nation's development. Both, this idea and its commitment to it, continue to be valid. Its purpose is to add values to students.

#### Our Values:

The corner stone of any good education are teachers for whom education is a vocation, and not a job; and students who want to learn and upgrade their capabilities and potential. Shiksha Mandal is an institution for and of such teachers, and such students.

Merit is an important value for us. Merit is recognized and supported. So, its honesty being just is equally important.

We practice simplicity and frugality, even as essentials are in place. We try to inculcate dignity of labor, the joy of hard work, fearlessness and a sense of responsibility towards society.

In our view humanity, nation, institution and individual are the hierarchy of considerations within which one must act.

We believe in equality of opportunity. No meritorious student is denied admission for lack of financial resources. We nurture the strong, but pay special attention to the weak. Anyone striving to improve is worthy of support.

These values are to be imbibed through the behavior of all of us at Shiksha Mandal.

### About Us
