NATIONAL SERVICE SCHEME 2019-20

REGULAR ACTIVITIES

National Service Scheme is one of the best platforms for the college going youth to render his/her services to the society. It provides him a golden opportunity to get acquainted with various social problems and issues. It also endows him with an insight to understand the nature of social problems and enable him to propose solutions to the same through his study and conscience. Since inception of the NSS in our institution, we have been trying our level best to imbibe in our students moral and social values so that in present and future they would prove to be asset for the society. Throughout session, we have tried to implement the programmes as per the guideline of the University under the guidance of our dynamic Principal Dr. Abdul Bari. The members of the NSS- Prof. Milind Shende, Dr. Mangala Tomar, Dr. S. R. Junghare, Prof. Shailesh Janbandhu, Prof. Madhurima Naidu and Prof. Humera Quazi have contributed to social cause. The volunteers have played pivotal role in the proliferating awareness among the masses about various social issues in the society.

As the participation of students is inevitable and must in all the activities of the NSS, the department formed Student Committee for successful conduction of the activities. The Principal, NSS Programme Officers and members played a role to guide those students.

Dr. Baasaheb Ambedkar Mahaparinirwan Day

(06/12/2019)

The architect of Indian Constitution Dr. Babasaheb Ambedkar was paid tribute by the college on his death anniversary. On the occasion, Principal Dr. Abdul Bari said that the golden principles of liberty, equality, fraternity and social justice could be reality to a larger extent in today's world due to tireless efforts made by Dr. Ambedkar in framing the Constitution. A crusader for the rights of the downtrodden, women and marginalized sections of the Indian society was in true spirit a luminary and national hero who safeguarded the rights of all. The students must keep his example before them and succeed in life even though their life is full of struggle. Dr. Ambedkar would be a torchbearer for all who want to progress in their personal as well as social life.

Savitribai Fule Birth Anniversary

(03/01/2020)

“Before the rise of Mahatma Fule and Savitribai Fule India was in the dark era in terms of ignorance. It was Savitribai who by her relentless efforts for the uplift and progress of women in all spheres of life through education brought revolution in our social structure. For this, she had to bear the cruelty and brazen opposition of the men and the orthodox people of Pune. Today, we see the girls in all walks of life working and achieving heights of success. This could be possible due to Savitribai Fule”, said Principal Dr. Abdul Bari while speaking in the program of birth anniversary of Savitribai Fule. The Librarian of the college Mr. Nagsen Bansod also guided the present students on the occasion. The programme was attended 103 students with the majority of girl students.

Activities during Covid-19

In the wave of Covid-19, the entire world got worstly affected and came to stagnation. The human life came under high risk and the rate of mortality caused by Corona Virus sprung up immeasurably with each passing day. India also got bitter experience as many people lost their jobs, laborers got stuck in the place of work far away from their families and some others succumbed to the disease. In this tumultuous time, the volunteers of NSS played a role of Covid-19 Warriors and extended their helping hand. They made masks, sanitizers and distributed the same among the needy ones and villagers. They also tried to make people aware about all this through placards, digital posters, videos comprising the information related to Covid. A common appeal though all these efforts was made to the people to be alert, stay home and be safe, follow the lockdown rules and maintain physical distance of 6 feet from others. The Chairman of Shiksha Mandal Shri Sanjay Bhargava, Principal Dr. Abdul Bari also got engaged in helping the people with grain, grocery etc. The NSS Programme Officers Mr. Milind Shende, Dr. Mangala Toamr, members and the volunteers voluntarily contributed to the social cause during the hard times of Covid-19.

Special Camp Report

(15 to 21 December 2019)

Camp Venue:- Shri Sadanand Math, Salod (Hirapur) Tah. & District Wardha

The Department of NSS organized the Special Residential Camp at Shri Sadanand Math, Salod (Hirapur) Tah. & District Wardha between 15 and 21 December 2019 on the theme "The Role of Youths in the Creation of Clean India" with the participation of 75 students.

The following major works were undertaken during the seven days of camp in the village.

- ✚ Health checkup and medicine distribution camp
- ✚ Workshop on 'Best from the Waste'
- ✚ Cleanliness drive during all the days of stay at the village
- ✚ Awareness through street plays on various social issues
- ✚ Intellectual sessions on different topics

15 December 2019

The volunteers left for the camp venue on 15th December. After reaching the Sadanand Math, they cleaned the camp area and started preparing for the inaugural function to be held the next day. The groups of volunteers were assigned duties for almost all the days during camp. This involved works from help to cook to cleaning premises and being ready for any task. In the evening, the volunteers from different classes and sections were made familiar to one another by arranging the programme "My Introduction".

16 December 2019

Inaugural Ceremony

The inaugural function took place on this day. The dignitaries present at the programme were – Shri Bailmare, Wardha District Coordinator of NSS, Shri Y. D. Deshmukh, NSSS Programme Officer of Lok Mahavidyalaya of Wardha, Shri Milind Deshmukh, Sarpanch, Shri Ankush Zade, Trustee, Shri Ajay Zade, Deputy Sarpanch, Shri Mahesh Tekam, Police Patil, Salod, Shri Madhavanand Maharaj and Principal Dr. Abdul Bari. Addressing the students, Shri Milind Deshmukh said that the NSS volunteer is a messenger of social service. He must try to be the part of the society and pay back. He should mingle among the villagers and knowing their problems should try to propose some solutions as well as help them solve the issues.

Presiding over the function Principal Dr. Abdul Bari said that the volunteers have got a golden opportunity to know the lifestyle of the villagers. They should work with dedication to resolve the problems. They also should make the villagers aware about burning social issues such as dowry, environmental issues, child marriage, discrimination with girls, ill effects of tobacco and liquor on an individual and society.

Elocution Competition on 'Role of Youth in Maintaining Social Harmony'

In order to sensitize the volunteers about social issues, problem, federal & democratic structure of society as well as need of social harmony, an elocution competition on the aforementioned topic was arranged. A total of 12 students participated as the speakers whereas the other students took part in the event as spectators. The teachers Prof. Milind Shende, Prof. Niraj Tiwari, Prof. Madhurima Naidu attended the programme as the observers. The event was conducted by Tosifa Pathan while Suraj Kuratkar proposed vote of thanks. All the students agreed that in the advanced era of science and technology, we are progressing well. But the misuse of media in general and social media in particular has posed a big challenge to the harmonious Indian society. Some miscreants by opening fake accounts try to create the environment of disbelief, disharmony and abhorrence among the people belonging to different religious and cultural background. Being the youths, it is their responsibility to root out such hate-mongers by reporting such things to the cyber department of police. If this is done consciously by the youths then definitely there won't be any danger to our harmonious society.

Yoga Session

To be mentally and physically fit, it is imperative to do exercise on daily basis. This not only keeps us strong from the outside but improves our immunity. Keeping this in view, the sessions on yoga and asanas were arranged for the students on daily basis as a part and parcel of the activities during the camp. The Director of Physical Education and Sports Prof. Madhurima Naidu was the main tutor. She taught the present students about various kinds of exercise, yoga asanas in detail and proper manner. While guiding the volunteers in the inaugural of Yoga Session, Prof. Naidu said that we are living in such an era where we feel to be very busy in the routine work and do not pay attention to our health. This has led us to physical vulnerability. If we want to avoid this and want to be strong then we must spare at least half an hour for ourselves and utilize this time slot for performing yoga, pranayam and other exercises.

The yogasanas were performed by students daily during the camp

Awareness Rally on Open Defecation Free Village

The problem of open defecation is rampant cross the nation particularly in villages. Many of the villagers are still reluctant to use toilets. Instead they prefer open space. This needs their education regarding hazardous effects of this on health especially of children. Keeping this in view and taking this cause of cleanliness seriously, the NSS planned a rally and door to door visit to familiarize people with this issue and convince them to prefer toilets to open grounds for defecation in order to maintain the health of villagers. The rally was carried out in nearly all the major areas of the village giving message of cleanliness and open defecation free village.

Students gave message of clean village through rally

Cleanliness Drive in the Village

Today, the problem of unclean villages and cities has appeared to one of the major social issues in our society. Many of us are not found to be health, cleanliness and hygiene conscious in our social life. This has a very pernicious effect on all the citizens. To deal with this burning issue, the Government of India has launched Swaccha Bharat Mission, Swachhata hi Sewa programme etc. After all this also, the habit of many people about throwing litter, garbage in open space instead of collecting it in bins have not changed. Even today, we see such people around us who are not aware of the ill effects of unhealthy and unclean environmental conditions. To deal with this issue and making people aware regarding this, the students conducted cleanliness drive in the village. In their efforts to make the village clean, they took the help of villagers and the youths of the village. This drive continued for all the days of stay of students in the village.

Session on 'Entrepreneurship Development'

**Chief Guest:- Mrs. Shubhangi Patil, Programme Officer,
Maharashtra Corporation of Entrepreneurship Development, Wardha**

In today's era of globalization, privatization and liberalization, the jobs in public and private sectors have curtailed at larger extent. The skilled manpower is being hired whereas unskilled laborers are facing it toughly to find out secure jobs for themselves. Due to use of machines and robots also in firms, companies, there is shortage of jobs. In such situation, to be self employed and to start up with smaller and bigger businesses is a good opportunity for the industrious and willing youths. Thinking of this with seriousness, a session on 'Entrepreneurship Development' was organized. Mrs. Shubhangi Patil gave detailed information about various government schemes to train the youth in various businesses and financing for the same. She also in interactive manner answered the questions asked by students. Dipak Wansutre conducted the programme while Rakhi Ganjare proposed vote of thanks.

Talk on 'Human Rights'

Chief Guest:- Shri Nihant Parma, Secretary, Zilla Vidhi Sewa Pradhikaran, Wardha

"It is the need of hour to be educated and enlightened about human rights. The Constitution of India has safeguarded the rights of all citizens under Fundamental Rights' umbrella so that we can enjoy them in the democratic and republican spirit as responsible citizens of the nation. Like this, all the human beings have been endowed with some common rights by the Nature herself. If there is breach or violation of such rights then as a responsible citizen we should take cognizance of the matter to defend the victim." asserted Shri Nishant Parma in the programme on Human Rights. By quoting various sections of the Constitution, he appealed the students to be harbingers in the movement of preserving and defending rights of the people.

Debate Competition on 'GST is a Good Taxation System'

A debate competition was organized on the topic of GST. As the students in the camp were from Commerce stream, it proved to be an interesting topic for them. The students expressed their opinions in support as well as opposition of the topic. The students who supported the new tax system viewed this as an unique system as variations in tax ended with its implementation. The opponents opined that this has created a kind of dependency for the States on the Centre. For the funds, the States have to request the Central Government. At the end, Prof. Shende and Prof. Naidu discussed the issue with both positive and negative aspects of GST tax system. Shabnam Sheikh conducted the programme and Swapnil Nagrale proposed vote of thanks.

Street Play on Women Empowerment & Save Girl Child

On the surface, it looks that we have achieved equality for women in our society. But the fact remains unchanged that in many walks of life, women still are treated unequally. The discrimination with them is a burning social issue of the day and if want to create a just and fair society based on equality eradicating bias against the female gender, we need to work hard on it. Feeling the need to accentuate the issue, the volunteers staged a street play on the theme. The play was performed in the market place and a good number of people attended the event. The Sarpanch, Deputy Sarpanch, Police Patil and other veterans of the village appreciated the efforts of the volunteers regarding sensitizing the villagers towards the issue of discrimination with women.

Guidance on 'Police-Citizens Relationship and Self Defense'

Chief Guest:- Ku. Meghali Gawande, PSI, Wardha

In an afternoon session, Ku. Meghali Gawande guided the students about self defense in interactive manner. She said that self defense is very necessary thing in today's world. The crime rate is high and the best mechanism to deal with this grave problem is to have some courage, skill and techniques so that we all in general and girls in particular can defend themselves in any situation when they are unable to seek anybody's help. Further she opined that we need to have cordial, amiable relations between police personnel and citizens for effective maintenance of law and order. The police are friends and therefore, there should be no worry on the part of citizens about cops' cooperation to them. She also shared the contact numbers of Damini Pathak meant to help and provide protection to girls if found in troublesome situation.

Session on "Scientific Approach and Youth"

Chief Guest:- Mr. Pankaj Wanjare, State Organizer, Andhashraddha Nirmulan Samiti, Wardha

In an impactful speech on superstition eradication, scientific approach and the role of youth in fostering scientific temperament among the masses as enshrined in the Constitution of India, Mr. Pankaj Wanjare said that we cannot afford to be superstitious and led by people spreading superstition in society. It is our moral and social duty to create scientific approach within ourselves towards our life and deeds. Many people even today's 21st century characterized by many discoveries in all spheres of life are found to have blind faith in some certain people or things. Instead of having faith in truth and hard work, they believe in the supernatural and superstitious things. Being youths, we should understand the formula of relativity i.e. cause-effect relationship and accept the things, happenings etc. based on logic and reason. This would lead us to create and establish a society with scientific temperament.

Mr. Pankaj Wanjare interacting with students

Guidance to Students by Principal Dr. Abdul Bari

In the evening session, Principal Dr. Abdul Bari guided the participants of the camp. While addressing them, he said that the camp attendees are fortunate to get exposed to the village life and culture. During seven days stay at village, they are getting to know about various new things which would be helpful for their own development as well as to enhance their understanding about social life. He exhorted the students to be active in all the activities and get imbibed in themselves moral values. He also opined that the youth if firmly resolved to do something can achieve it. On the occasion, he wished them best and bright future.

Street Play on Road Safety Awareness

The number of accidents caused by negligence of citizens, especially bike riders towards road safety rules is increasing day by day. Though we have many rules regarding traffic and safe driving, many are seen openly violating these rules. In the light of this fact, the students planned to present a street play on the theme and make an appeal to the villagers to use helmet while they drive or ride the motorbikes and follow the traffic norms to avoid accidents. The play was staged in the market place and an attempt was made to make the people aware of this problem. The participants of the drama were appreciated for their efforts to bring awareness about this issue. The play was led by Ku. Arati Mirzapure successfully.

Awareness Rally on Ban on Single Use Plastic

The Government of India has launched a scheme of ban on single use plastic. In order to make India clean and garbage free as well as environment friendly by making maximum use of items and things made from disposable material, an appeal was made by the Prime Minister Mr. Narendra Modi. As a part of this scheme, a rally on the theme was carried out into different localities of the village to realize the people their duty towards this social cause. Students through slogans, placards and banners tried to make the villagers aware of this problem and appealed not to use things made of plastic to sustain clean environment.

Single use plastic awareness drive

Health Checkup and Medicine Distribution Camp Participation:- Dr. Anand Gadhavekar, Dr. Renuka Gadhavekar

A health checkup and medicine distribution camp was organized at the NSS camp venue. In this camp, the villagers were examined, treated and distributed with medicine free of cost. They were treated for cough, cold, fever and other physical ailments. The students by conducting a door to door visit gave the information to people. As a result of these efforts, a large number of villagers, most of whom were aged men and women came to the camp and got themselves examines by the team of expert doctors.

Save Water Awareness Rally

Water conservation is a matter of concern for all of us as we are facing the problem of water scarcity. To make people aware of this problem, the students carried out a huge rally to accentuate the issue. The villagers through slogans, placards and banners tried to bring awareness among the villagers. The rally went through various areas and localities of the village. The rally was aimed at providing people with information on the issue and enlightens them by proposing solutions to the same. Feeling it their responsibility, the students made an appeal to keep the river bank and areas clean. The villagers were also requested not to throw garbage into the water bodies.

Awareness about water problem was carried out in the village

Street Play on Superstition Eradication

Superstition is rampant throughout the country. The uneducated as well as educated folk can be seen practicing superstitious activities. Even though it is enshrined in the Constitution that the scientific temperament should be created and fostered among the people, many serials, movies as well as astrologers through television channels are seen engaged spreading unscientific things among the viewers. This has made a profound impact on the people and they tend to follow and believe whatever is shown them. In villages, the so called black magicians and such other people involved in proliferating superstition take the advantage of people and exploit them physically, financially. Thinking of all this, the department planned to stage a street play on the issue to enlighten the people and to root out superstition from the minds and hearts of the people. A large number of people were present at the play.

A play on superstition eradication was staged by students

Quiz Competition on Commerce

The M. Com. Students of the college organized a quiz competition on the topics related to Commerce. The NSS volunteers were divided into five groups and asked the questions. All the members of the NSS participated in the competition. It was a wonderful event for the volunteers as all of them were from the Commerce stream.

Guidance on Superstition Eradication and Magic Tricks

Chief Guest:- Mr. Gajendra Surkar, Andhashraddha Nirmlan Samiti, Wardha & Sarpamitra

"The common people are deceived by some callous and cunning people. They are pushed into ignorance through tricks and robbed financially. This problem is generally witnessed in rural areas. To save people from such looting, the people must educate and rationality must be imbibed in them," said Mr. Gajendra Surkar. Speaking further he said that there is a lot of superstition about snakes in the society. To dispel away this from the minds of the people, there is need to organize such programmes so that the fear about animals and birds from the people get removed and the wild life can be protected with the participation people.

Session on "HIV-AIDS: Causes and Remedies"
Guests of Honor: Mr. Amit Challani, Civil Hospital, Wardha

To make students aware about deadliest disease of HIV-AIDS which is spreading rampant in Wardha District, an awareness programme was arranged under Red Ribbon Club by the department. While sharing their experiences, Mr. Nurul Haque Sheikh and Mr. Amit Challani, HIV-AIDS Dept. Civil Hospital Wardha said that precaution is the best cure in case of HIV. We can prevent it in the very first stage by doing very simple things. The increasing number of AIDS patients in Wardha should be a matter of great concern for all of us. Mr. Challani cleared the doubts of students scientifically and enlightened them with the factual data. Mr. Sheikh answered the question asked by the students and also appealed them to be the messengers of good health and healthy society by becoming the members of Red Ribbon Club and sharing information among the masses about this disease.

गो. से. वाणिज्य महाविद्यालयात युथ एन्गजमेंट फॉर सस्टेनेबिलिटी कार्यक्रम

प्रतिनिधी / ५ सप्टेंबर

वर्धा :- गो. से. वाणिज्य महाविद्यालयात युथ फॉर सस्टेनेबिलिटी फाउंडेशनच्या वतीने युथ एन्गजमेंट फॉर सस्टेनेबिलिटी कार्यक्रमाचे आयोजन करण्यात आले होते. याप्रसंगी प्रभाकर मिश्रा म्हणाले की, आजच्या आधुनिक युगात आपली जीवनशैली बदलत आहे. निसर्गातील साधनसंपत्तीचा उपयोग करून आपण आपले जीवन सुखी केले आहे. मात्र विकासाच्या नावावर पर्यावरणाची होत असलेली अपरिमित हानी हा संपूर्ण जगासाठी चिंतेचा विषय असून त्यातूनच ग्लोबल वार्मिंग, पावसाचे घटते प्रमाण, ओझोनचा कमी होत असलेला स्तर या जगातील स्तरावर प्रभाव पाडणाऱ्या घटना घडत आहेत त्यामुळे आपण सर्वांनी सुज्ञपणे जबाबदारीने वागून पर्यावरणस्नेही बनावे व इतरांनाही या पर्यावरण बचाव मोहिमेत सहभागी करून घ्यावे असे मत प्रभाकर मिश्रा, क्षेत्रीय प्रबंधक यांनी व्यक्त केले. गो. से. वाणिज्य महाविद्यालयात युथ फॉर सस्टेनेबिलिटी फाउंडेशनच्या वतीने आयोजित कार्यक्रमात ते बोलत होते. यावेळी

कार्यक्रमाचे अध्यक्ष महाविद्यालयाचे प्रा. डॉ. अब्दूल बारी, युथ फॉर सस्टेनेबिलिटी फाउंडेशनच्या प्रमुख डॉ. सुरिता मिश्रा, राष्ट्रीय सेवा योजना अधिकारी प्रा. मिलींद शेंडे आदी उपस्थित होते. पुढे बोलताना प्रभाकर मिश्रा म्हणाले की, प्लॅस्टिकबंदी असतानाही प्लॅस्टिकचा वापर होताना दिसतो. ही नागरीकांची जबाबदारी असून त्यांनीच कापडाच्या पिशव्या वापरण्यावर भर द्यावा व प्लॅस्टिक बंदीला मूर्तरूप देण्यात प्रयत्न करावा. यावेळी

त्यांनी पर्यावरण संरक्षणाबाबत युनोच्या आठ उद्देशाबाबत देखिल विस्तृत माहिती दिली. डॉ. सुरिता मिश्रा म्हणाल्या की वृक्षातोडीमुळे तापमानात भरपूर वाढ होत असून विविध जातीच्या पक्षांचे अस्तित्व देखिल धोक्यात आलेले आहे. तेव्हा जंगलतोडिकडे वृक्षलागवडीकडे आपण लक्ष देवून आपली जबाबदारी पार पाडली पाहिजे. कार्यक्रमाचे अध्यक्षपद भूषविताना महाविद्यालयाचे प्रा. डॉ. अब्दूल बारी म्हणाले की, मनुष्यामुळे पर्यावरण नव्हे

तर पर्यावरणामुळे मनुष्याला चांगले व आरोग्यदायी जीवनमान प्राप्त झालेले आहे.

राष्ट्राच्या विकासासाठी औद्योगिक क्षेत्रातील विकास महत्वाचा मानला तरी तो पर्यावरणास पुरक असावा. सौरऊर्जा, जलऊर्जा या स्रोतांचा वापर अधिकाधिक होण्याकडे आपला फल असला पाहिजे. सेंद्रिय शेती, वृक्षारोपण, कागदी व कापडी पिशव्यांचा वापर, जलस्तर वाढण्यासाठीचा प्रयत्नाबाबत सामाजिक जाणिव निर्माण होणे आवश्यक आहे. विद्यार्थी हे पर्यावरण बचाव मोहिमेत सहभागी झाल्यास त्याचा जनमानसावर सकारात्मक परिणाम होईल त्यामुळे विद्यार्थींनी पर्यावरण दूत म्हणून समाजात कार्य करावे असेही ते म्हणाले. संचालन प्रा. मिलींद शेंडे यांनी केले तर आभार प्रा. शैलेश जनबंधू यांनी मानले. यशस्वीतेकरीता प्रा. माधुरिमा नायडू, डॉ. एस.आय. जूनघरे, प्रा. अमोल राउत, डॉ. रेवती बांगरे, प्रा. हर्षा गंगावणे इत्यादी प्राध्यापकांसह जयेश गेडाम, सुरज कुरटकर, बादल जोगे अभिजीत निनावे, रक्षा ठाकूर, तौसिफा पठाण आदींनी सहकार्य केले.
