A Legacy of Learning. A Future of Possibilities

Govindram Seksaria College of Commerce, Wardha, established on 14 July 1940 under the visionary guidance of Shri Jamnalal Bajaj and Shiksha Mandal, holds the distinction of being the first commerce college affiliated to Rashtrasant Tukadoji Maharaj Nagpur University and was inaugurated by Sardar Vallabhbhai Patel, with the blessings of Mahatma Gandhi.

Over 86 years, the institution has built a proud legacy of academic excellence, ethical values, and national service, nurturing over 25,000 students and a distinguished alumni network of Chartered Accountants, Company Secretaries, civil servants, defense personnel, entrepreneurs, educators, and industry leaders in India and abroad. Guided by Shiksha Mandal and its leadership, the college has earned recognition for its strong NCC, sports traditions, and social commitment, and marked a new milestone with the conferment of Autonomous Status in April 2024, enabling curriculum innovation, research orientation, and industry–academia collaboration.

As we proudly present the 4th edition of our NEWSLETTER, we celebrate the enduring bond between the college and its esteemed alumni, our lifelong ambassadors and valued partners in progress. We extend a warm welcome to all our alumni to reconnect with their alma mater, share their achievements, and contribute to continued journey of excellence, innovation, and service to the nation. Together, let us strengthen our shared legacy and inspire new milestones of success for generations to come.

From the Editorial Desk

Being an alumna of G. S. College of Commerce, Wardha, and serving the same institution as an Assistant Professor for the past seven years has been a deeply fulfilling journey. My association with this institution has come full circle, from being a student to contributing to the academic and overall development of students. Along with teaching, I take keen interest in preparing and mentoring students for co-curricular and extracurricular activities, encouraging them to explore their potential, develop confidence, and achieve excellence. Being elected as the Secretary of the G. S. Alumni Association is a privilege that offers me an opportunity to strengthen the bond between the institution and its alumni, foster meaningful connections, and contribute to the continued growth and excellence of our institution. I feel privileged to be associated with G. S. College of Commerce, Wardha, both as a former student and as a faculty member, and look forward to contributing to its continued growth and legacy. This newsletter shares important updates and milestones from the college. As we continue this journey together, we encourage every alumnus and alumna to remain actively connected with the Alumni Association & share their experiences

Ms. Radha Tiwari
Alumna (2017-19 Batch)

I experience the profound truth of this adage every single day within the corridors of G.S. College. My journey here began as a student during the 2014–2019 batch, a period that laid the foundational stones of my aspirations. Today, serving as an Assistant Professor for the past seven years at this very alma mater, I feel immensely privileged to help shape the next generation of leaders. Transitioning from a student to a faculty member has been a deeply enriching experience, further strengthening my lifelong bond with this esteemed institution.

This newsletter stands as a testament to our college's vibrant academic culture, outstanding achievements, and continuous growth. Our institution has always remained steadfast in its commitment to imparting value-based education and practical exposure to prepare students for the dynamic professional world. To our valued alumni network, I extend a heartfelt invitation to reconnect and actively engage with us. Your expertise, mentorship, and industry insights are invaluable assets that can guide our current students toward successful career paths. Together, let us continue to nurture this network and play a defining role in fostering future-ready professionals.

Ms. Jaya Kawale
Alumna (2014-19 Batch)

Exclusive – Empowering Entrepreneurs through Government Scheme

Dear Fellow Alumni,

The growth of entrepreneurship plays a pivotal role in the development of a country. In recent years, the Government of India has taken several initiatives to promote entrepreneurship, with the objective of creating more job creators rather than job seekers.

India envisions becoming a developed nation under the vision of Viksit Bharat @ 2047. To achieve this goal, the government is encouraging micro, small, and medium enterprises (MSMEs) and introducing various financial schemes to support entrepreneurs through the banking sector. Currently, banks provide financial assistance to entrepreneurs across different segments of society. The PM SVA-Nidhi Scheme supports street vendors in expanding their businesses while promoting financial inclusion and awareness of banking services. The PM Vishwakarma Scheme supports traditional artisans and craftspeople who work with their hands and tools in the unorganised sector. Micro-entrepreneurs also benefit from schemes such as the Pradhan Mantri MUDRA Yojana (PMMY), Prime Minister's Employment Generation Programme (PMEGP), and Stand-Up India Scheme, among others.

Furthermore, providing collateral-free loans and subsidy facilities to MSMEs can encourage young people and women to pursue entrepreneurship. These credit support mechanisms help transform innovative ideas into viable business ventures by improving access to institutional finance. Ultimately, such government initiatives can convert job seekers into job creators, promote grassroots innovation, generate local employment opportunities, and contribute to sustainable and inclusive entrepreneurial growth across the country.
